

PROGRAM

ON LASER EPILATION MASTERCLASS COURSE

THIS PROGRAM IS A PART OF THE LASER HAIR
REMOVAL MASTERCLASS BY JANA BAY AND
ISN'T SOLD SEPARATELY.

Hello, and welcome to my masterclass program!

My name is Jana Bay and I'm the founder & owner of Laser Center by Jana Bay located in Brooklyn, New York.

I have been always very passionate about laser skin treatments and spent several years working and studying versatile laser applications and techniques, educating myself the best way is possible to be able to resolve my clients skin problems with the help of a laser technology.

In this one day masterclass, I combined all my theoretical and practical knowledge so I can teach everyone who wants to start their career as a laser hair removal technician, no matter their level or types of degree.

The masterclass contains of 5 hours of theory and 4 hours of practice. The practical part is taught by me, so I can deliver the best of the knowledge I gained through the years of the experience directly.

Since I'm a certified Candela Gentle Max Pro specialist, I will be using their Laser machine which is the Golden Standard in Laser Industry for Laser Hair Removal.

I'm excited to take you on this journey with me! Remember, the best investment you can do is investing in yourself.
